Belgian Linen™ Bedding

Care Instructions

- Unfold your linens completely before washing. Do not overload the machine.
- Wash your linens at max. 104 °F. Use a mild detergent and avoid chlorine bleach.
- If possible, line dry for best results.
- If using a dryer, tumble dry on low to medium heat. Do not over dry.
- If desired, iron with steam while linen is slightly damp.
- Bedding can be professionally dry cleaned.
