FOUR HANDS

Performance Fabric

Designed for Life

Specially created to withstand spills, stains, high traffic and wear, performance fabrics bring long-term comfort and unmatched durability to sofas, chairs and more.

In this guide, you'll learn about a variety of performance fabrics and textures, learn about our performance fabric partnerships, see some of our top-selling styles, and understand how to take care of each.

FOUR HANDS

Performance Fabric Partnerships

Performance Fabric Partnerships

Four Hands partners with top brands to offer a range of trusted high-performance upholstery in the frames and styles you know and love.

- An industry leader, Crypton® high-performance fabrics are designed to protect against stains, moisture and odor, in a range of colors and soft fabrics, from velvets to natural fibers.
- Fiqa fabrics are made from fully recyclable materials and certified by OEKO-TEX® and GREENGUARD Gold, for easy-to-clean performance that's easy on the earth.

Crypton®

Crypton's patented process includes an immersion bath and heat treatment specifically engineered to protect against stains, moisture and odors — free of PFAS, formaldehyde and more — to seal the performance technology down to the individual fiber.

Benefits: Even oil-based stains can be cleaned easily with just soap and water, while anti-microbial, anti-fungal and mildew-resistant properties provide unmatched performance designed to last for years.

Bestsellers:

Crypton Nomad Snow

Crypton Nomad Taupe

Crypton Nomad Mushroom

Crypton Wayfarer Snow

Crypton Wayfarer Sienna

See more Crypton styles at FourHands.com/Crypton.

Fiqa

Sustainably made, easy to clean and designed to last indoors and out, Fiqa performance fabrics are durable and solution-dyed at the fiber level for long-lasting color while being bleach-cleanable.

Benefits: Certified OEKO-TEX® and GREENGUARD Gold, Fiqa fabrics are crafted from fully recyclable materials and free of harmful chemicals.

Bestsellers:

- Fiqa Boucle Charcoal
- Fiqa Boucle Natural
- Fiqa Boucle Cocoa
- Fiqa Boucle Light Taupe
- Fiqa Boucle Slate
- Fiqa Boucle Olive

See more Fiqa styles at FourHands.com/fiqa.

FOUR HANDS

Four Hands Performance Fabrics

Four Hands Performance Fabrics

Four Hands performance fabrics are specially engineered for stain-resistance at the fiber level.

- Each performance fabric goes through a high-heat submersion bath to fully encapsulate each yarn fiber.
- This creates moisture-resistance and durability that lasts the life of the fabric.
- Liquids bead up on the surface and can be easily blotted away for low-maintenance care and easy cleaning.

Linen

Lightweight and timeless, performance linen blends provide a clean, classic look and unexpected livability.

Benefits: Cleanable while featuring the soft hand, drape and breathability expected of natural fibers.

Bestsellers:

- Dover Crescent
- Antwerp Cafe
- Antwerp Taupe
- Valley Nimbus
- Alcala Wheat
- Alcala Fawn

See all performance styles at FourHands.com/performance-fabric.

Textured Weave

Heavily textured fabrics easily hide wear, while performance invites carefree living.

Benefits: Visually engaging and highly tactile — textured performance weaves are resilient and durable without sacrificing elegance.

Bestsellers:

Thames Cream

Gibson Wheat

Alameda Snow

Thames Coal

Irving Taupe

Gable Taupe

See all performance styles at FourHands.com/performance-fabric.

Boucle

Boucle is a popular everyday fabric due to its visual interest, resiliency and ability to mask daily wear. Heavy surface texture with a nubby look and feel, boucle yarns hide wear while also being treated for easy care.

Benefits: Visual depth of texture hides wear while PFAS-free performance enhances cleanability.

Bestsellers:

Knoll Domino

Knoll Natural

Knoll Sand

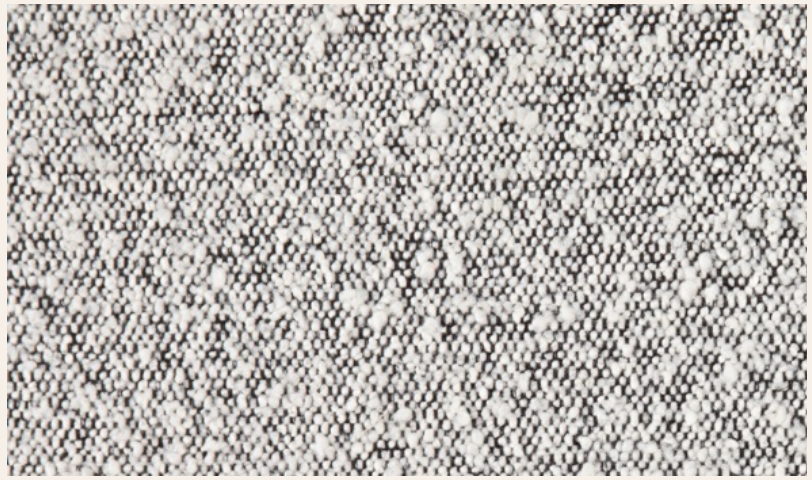

Merino Cotton

Yuma Cream

Fayette Cloud

See all performance styles at FourHands.com/performance-fabric.

Chenille

French for “caterpillar,” chenille features woven threads that are incredibly soft to the touch. Performance chenille offers a luxurious texture designed to withstand everyday messes.

Benefits: Plush, inviting softness treated to repel spills and stains.

Bestsellers:

Napa Sandstone

Crypton
Nomad Snow

Sutton Olive

Crypton
Nomad Taupe

See all performance styles at FourHands.com/performance-fabric.

Velvet

The high-pile softness of velvet exudes a timeless allure blending classic elegance with lasting appeal.

Benefits: Luxurious and practical, performance velvet retains its signature rich texture while offering stain resistance.

Bestsellers:

Surrey Olive

Surrey Auburn

Surrey Cocoa

Modern Velvet Smoke

See all performance styles at FourHands.com/performance-fabric.

FOUR HANDS

Care & Cleaning

Cleaning Codes

Each fabric is engineered for spills to be addressed quickly. Be sure to check the cleaning codes and, if any, special instructions included for each individual style or fabric to ensure longevity.

S: Solvent	Do not use water. Spot clean only with a water-free dry-cleaning solvent. Pretest a small, inconspicuous area before proceeding. Blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area and clean entire panel seam to seam.
W: Water Based	Do not use solvents. Spot clean only with water-based shampoo or foam upholstery cleaner. Pretest a small, inconspicuous area before proceeding. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area and clean the entire panel seam to seam.
WS: Water/Solvent Based	Use any cleaning product, whether water- or solvent-based. Spot clean with upholstery shampoo, foam from a mild detergent or mild dry-cleaning solvent. Pretest a small, inconspicuous area before proceeding. When cleaning a spill, blot immediately to remove spilled material. Clean spots or stains from the outside to the middle of the affected area and clean the entire panel seam to seam.
DC: Dry Clean	Clean only by vacuuming or light brushing. Professionally dry clean when necessary.
X: No Product	Clean only by vacuuming or light brushing. Professionally dry clean when necessary. Do not use any water- or solvent-based cleaner.
