Games from District Eight

Now available at Four Hands. Discover a line of handcrafted classic games, reimagined with quality materials and dedicated artisanship in a unique blend of fun and functionality.

15 Years of Artisanship

Founded in 2010 in Ho Chi Minh City, Vietnam, District Eight aims for the highest quality at every stage of production. Each sleek, industrial game is crafted with the highest quality materials — oak, leather, cast iron and more — speaking to the company's mantra: Crafted for Life.

A principle shared with Four Hands, it lays the groundwork for this collaboration. Meant to last and designed for fun, each piece is intentionally constructed to make the most of time spent at home.

District Eight Shuffleboard Table

An Exclusive Collection

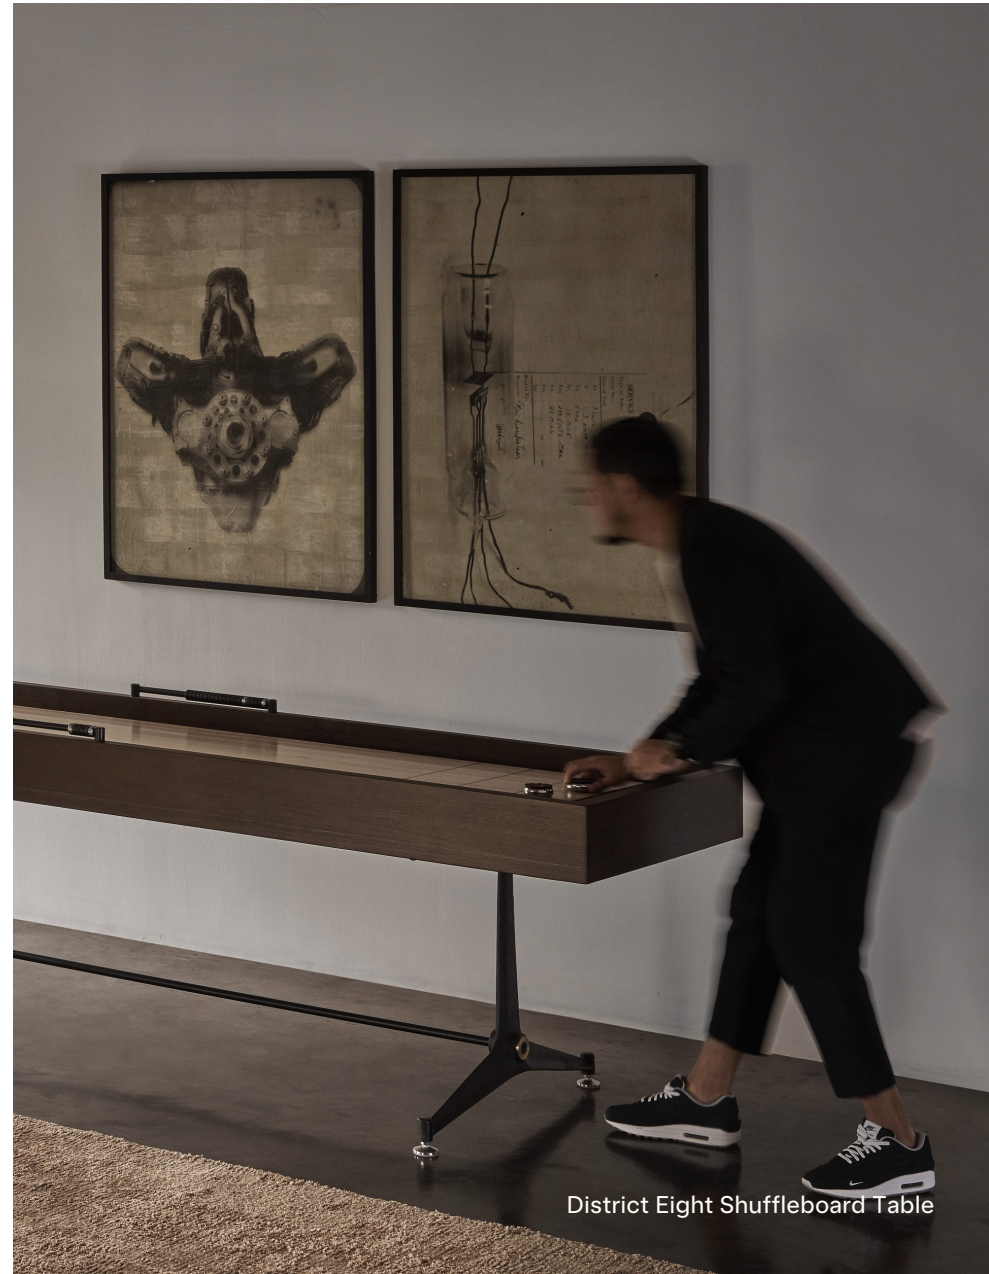

Shuffleboard, ping pong, foosball, poker and mahjong tables make up the second edition collection from District Eight, only at Four Hands.

District Eight Poker Table

“District Eight has an incredible reputation for top-of-the-line quality, craftsmanship and playability. Each game is uniquely designed to be sleek and modern, without sacrificing durability.”

Dan Lopes, Product Designer at Four Hands
