Outdoor Polyester-Blend Fabrics

Care Instructions

- Vacuum regularly with a soft brush attachment to remove dirt and loose debris.
- For dirt and spill stains: Blot liquids with a soft, clean towel and brush away any loose dirt. Mist with a soap and water solution, then lightly scrub with a sponge or soft bristle brush, working from the outside of the stain inward. Rinse thoroughly and blot with a clean, soft towel. Repeat as needed, allow fabric to air dry.
- For tougher stains: Mist with a 1:10 bleach and water solution. Lightly scrub with a sponge or soft bristle brush, working from the outside of the stain inward. Rinse thoroughly and blot until the stain is cleaned. Allow fabric to air dry.
- Disinfectant spray may be used between maintenance cleanings.
