This modern take on the classic library chair is covered in upcycled leather and mounted on a smooth swivel base of solid wood. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, our heirloom leather covering is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
